

STORY CUBES

Story cubes are a great way to generate story ideas, whether you write them down or choose to tell them aloud!

Your story cube has six squares on. Each square will make up a different face of the cube when it has been stuck together.

Decorate two sides from three categories:
characters, settings and items.

There are some ideas for each of the categories below. Be creative, you can choose anything you like!

SETTING

Beach
Castle
Spaceship
Jungle

CHARACTERS

Alien
Tiger
Superhero
Schoolchild
