This gallery is quite dark and goes into an area that includes a real mummy inside a glass case.

There is a film that you can watch.

All floors have accessible toilets.

**What can I touch?**

At the museum there will be lots of interesting things.

I am allowed to touch some of these things. There are other things that I cannot touch. I will just look at these things.

I will be told which ones I can touch and which ones to just look at. If I am not sure whether I can touch something I will ask a member of staff.

We hope that you will enjoy your visit to the museum.
