# QUEEN'S PARK

Stand in the circle.  
How many trees can you see? Are they the same or they have different sizes, colours and smells?

Have you found the lake?  
What wildlife can you see?

# Hoppity hop

## Leaves

Leaves

Ever changing, falling down  
Autumn colours merge together  
Vibrant red, gold and brown  
Ethereal is this autumn weather  
Silent is the blessed ground

Children from Start Well  
explored Queen's Park,  
**find the natural treasures  
that inspire their poems...**

## Acorn

Autumn leaves fall  
Children gather all  
Orange, brown, gold and red  
Rest upon earth's green bed  
Near old mother oak

## Hare

Hoppity hop, hoppity hop  
All the hares go floppity flop  
Run run run, run run run  
Eat your greens, then rub your tub

Hoppity hop
